## 17 steps - A set of stairs lighting - lighting width 45 cm

Price	<b>217.06 Euro</b>
Availability	<b>Available</b>
Shipping time	<b>24 hours</b>
Number	<b>537</b>
Manufacturer	<b>RESTAN</b>

### Product description

Stairway lighting kit - using LED strip.

The kit includes

-

- **Intelligent controller to the stairs** - <https://stair-lighting.com/smart-led-driver-for-lighting-stairs-driver-lighting-effects-version-17k-p-280.html?language=en>

- **Motion sensors dedicated to the controller 2 pieces** - <https://stair-lighting.com/motion-sensor-light-sensor-in-one-shortcircuit-no-or-nc-dedicated-to-intelligent-stairs-controllers-p-507.html?language=en>

- **Waterproof LED strip 2 roll (warm white or cool white)** - <https://stair-lighting.com/5m-led-strip-3528-300-diod5m-waterproof-warm-white-p-216.html?language=en>

- **Power supply to a set** - <https://stair-lighting.com/modular-power-supply-12v-50w-415-mw50-p-466.html?language=en>

17 stairs with a width of 45 centimeters a significant area for lighting. Illumination of so many stairs we can safely call special because it's a unique place should guarantee safety.

From year to year lighting using LED technology is increasingly appreciated and fashionable. Space with so many nooks and crannies, like a staircase, is a challenge. We have prepared a set of equipment and accessories to help you complete the task. In compiled a set of intelligent controller, two motion sensors, two 5-meter roll of tape and a suitable power supply LEDs.

Each of these elements fulfills important functions. The controller works just as well with LED on the bar, as with bulbs and LED luminaires other manufacturers. This opens the way to an incredible designers implementation. Above all, the control device can be programmed whole to reduce energy consumption - by highlighting only the part of the staircase, which is just used. Obvious task motion sensors perform here.

The strips of LEDs diodes are self-adhesive and stick very well on different surfaces - from wood to marble. Besides, they are waterproof, which allows for the mounting both inside the building and in the garden, on the terrace, by the sidewalk, etc. Finally, the power supply - supply voltage stabilizes. We chose the device world leader in the manufacture of power supplies -MeanWell / DELTA.

This product has additional options:

**Motion sensor - 2 pcs:** T1 , T2 (+ 15.52 Euro ), T4B (+ 51.74 Euro ), T4B (+ 41.39 Euro )
