Product description

Important Information

The purchase a piece in the store means the purchase 1 linear meter of the profile or cover

If you want to buy a profile that has a length of 2 meters you have to buy 2 pieces, 3 meters you have to buy 3 pieces, and the multitude of quantity when ordering.

The total length of the aluminum profile or the panel to the profile - is the total quantity of the piece number that was bought in the store.

The choice of the appropriate shipping method will take place at the end of the order process.

[The details of the shipping method and packaging of the aluminum profiles you will find here \(click in the link\)](#)

Profile LED facilitates precise mounting, LED strips, and as the second task is the protection from the elements outside. In this offer, we add milk shutter that not only protects, but also affects the decorative aspect.

The product is made of lightweight and durable aluminum anodizing to be performed, so it is protected against corrosion and further strengthened in the disposal of mechanical damage. In addition to these advantages a very important advantage is the trendiest color of recent seasons - inox. Kind of bronze, like silver, interior adds class and blends perfectly with the record, or the wall of the color.

Size: width 21 mm, the trough 18 and inside 14 mm, length - 8.7 mm.

Profile recessed into the surface chipboard plaster or ceramic tiles.

To illuminate the interior furniture, cabinets, paintings, exhibition and shop windows.
