Product description

Important Information

The purchase a piece in the store means the purchase 1 linear meter of the profile or cover

If you want to buy a profile that has a length of 2 meters you have to buy 2 pieces, 3 meters you have to buy 3 pieces, and the multitude of quantity when ordering.

The total length of the aluminum profile or the panel to the profile - is the total quantity of the piece number that was bought in the store.

The choice of the appropriate shipping method will take place at the end of the order process. The details of the shipping method and packaging of the aluminum profiles you will find here (click in the link)

Something I have long been missing on the market. Now you no longer need to combine, look - we prepared, the aluminum-colored pine wood. The only remaining arranged in the LED strip and marvel at the resulting light effect. The product is universal and popular, because pine is extremely popular, neutral and suitable for many interior and corners, from a child's room to homemade bookcase.

The product has less than 2 cm wide, tall is almost 1cm. It allows you to precisely complete the project home lighting, not only furniture but also decorative wykończeniówki eg. With paintings, fashionable bays plasma TV and so on.

Profile recessed into the surface chipboard plaster or ceramic tiles.

To illuminate the interior furniture, cabinets, paintings, exhibition and shop windows.
