Product description

Important Information

The purchase a piece in the store means the purchase 1 linear meter of the profile or cover

If you want to buy a profile that has a length of 2 meters you have to buy 2 pieces, 3 meters you have to buy 3 pieces, and the multitude of quantity when ordering.

The total length of the aluminum profile or the panel to the profile - is the total quantity of the piece number that was bought in the store.

The choice of the appropriate shipping method will take place at the end of the order process.

[The details of the shipping method and packaging of the aluminum profiles you will find here \(click in the link\)](#)

Ideal for ... angle aluminum profile LED number 3 is our offer elegant wenge. The color is a hit for several seasons. It produces more and more dark, but not black furniture. Similarly, for example. In the case of wall and floor panels. This trend provides ample room to maneuver when installing lighting.

Profile has two tasks - to facilitate the precise assembly of LED strips and keep her and their durability for longer. In the case of the second functionality, aluminum has been subjected to anodizing. Through it gained greater resistance to corrosion and mechanical damage and thereby also durability imposed theme wenge.

According to the demand of clients - we have a dark profile for specific tasks.
External dimensions 14,5mm x 26mm. Inside width - 14 mm.

Profile recessed into the surface chipboard plaster or ceramic tiles.
To illuminate the interior furniture, cabinets, paintings, exhibition and shop windows.
