If you want to install ceiling lighting in your interior, you will certainly need white halogen ceiling lights. The proposed holder allows you to mount a bulb with a diameter of up to 50 mm and is fully waterproof. Thanks to this, nothing prevents you from using it in the bathroom. The installation of the luminaire itself is extremely comfortable and you can do it yourself. All you need to do is drill a hole with a diameter of 55 mm in the ceiling. If you are looking for modern lighting that will meet your expectations, we invite you to reach for the products from our store.
