Halogens are still a common source of interior lighting. Choosing high-quality products is able to give excellent results, and the fixtures themselves can be a decoration in the interior. An example is the proposed ceiling luminaires. The offered square-shaped halogen luminaire is waterproof and has a very stylish look. It will blend in perfectly with modern interiors and give them a unique character and glow. The luminaire is dedicated to work with bulbs with a diameter of 50 mm. Thanks to water resistance, it can be successfully installed in bathrooms.
