Cold led strip - SMD3528 1200 / 5m

Price	54.33 Euro
Availability	On order
Number	416
Manufacturer	RESTAN

Product description

Cold LED strip is one of the most interesting product proposals that will allow you to create unique lighting in any interior. A properly used LED strip is able to illuminate specific spaces or create a very interesting effect on the ceiling or walls. The product has a very wide range of applications, and mounting on self-adhesive tape makes it suitable for many places. The tape comes from the offer of the renowned RESTAN company, and the lifetime of the LEDs is determined up to 50,000 hours. Therefore, we invite you to choose our high-quality product for yourself.

TECHNICAL SPECIFICATIONS

Dimensions W 15 x thickness of 2.9 [mm]

Supply voltage 12 V DC

8A/5m current consumption (0.2 A / m)

96W/5m power consumption (2.4 W / m)

Type SMD 3528 LEDs used

Number of LED 1200

LED angle 120 degrees

LED strips can be cut marked the cutting line

Flexible laminate substrate (white)

Mounting 3M adhesive tape placed on the laminate

Life 30 000 - 50 000 hours
