## Controller led strips- multiwhite

Price	<b>34.93 Euro</b>
Availability	<b>Availability - 3 days</b>
Shipping time	<b>4 days</b>
Number	<b>1243</b>
Manufacturer	<b>RESTAN</b>

### Product description

LED strips - a modern solution capable of lighting advertising , furniture, shop windows and decorative lighting and utility rooms. LED strips offer minimal power consumption while providing high performance light. The small size combined with flexibility allows its use PCB where other light sources do not permit their assembly , or is difficult. The use of LED strip leaves only limited by your imagination .

Products offered by RESTAN feature - the highest quality of workmanship , found thanks to the recognition of the various embodiments where the investor require reliability and durability of LED lighting . LED strip production is monitored at every stage - from purchasing the highest quality components in the packaging process . This attention to detail ensures its reliable operation for many years.

Components for each tape led to : the highest quality LEDs , PCB laminate tested , selected resistors . Yes precise selection of components allows you to ensure uninterrupted operation LED strips for many years. Each roll of tape led a process of thorough quality control , ensuring our customers receive the highest quality merchandise. Highest quality LED strip is confirmed by a 2 year warranty.

Input voltage range: DC 5 - 24V

Max. load: 16A (2 x 8A)

Output: WW / CW - PWM control

The method of control: remote control with touch panel

Way communication with the remote control: radio

The remote control: max. 50m

Operating temperature: -20 ~ + 60 ° C

Dimensions (length. X width. X height.): 120 x 62 x 24 mm

Dimensions pilot (L. X width. X height.): 113.5 x 55.5 x 22.5 (mm)

Packaged Weight: 314G

Static functions Dimming / brightening: YES

Brightness adjustment range: 0 ~ 100%

Signal connector (output): mounting clamps for cables

Power connection: mounting clamps for cables

The last program memory after a power failure the controller: yes
