FUT087 Touch Dimming Remote Controller MiBoxer black

Price	15.26 Euro
Availability	Available
Shipping time	4 days
Number	2901
Manufacturer	Mi.Light

Product description

Product Name: Touch Dimming Remote Controller

Model No.: FUT087

Working Temperature: -20 -60°C

Voltage: 3V(2*AAA Battery)

Transmission Frequency: 2400-2483.5MHz

Modulation Method: GFSK

Transmitting Power: 6dBm

Standby Power: 20uA

Control Distance: 30m

Touch Dimming Remote Controller

2.4GHz wireless transmission, Brightness Adjustable
Control distance 30m

The image features a black, circular touch dimming remote controller on the left. It has a silver ring around the perimeter and two large, oval-shaped touch buttons labeled 'ON' and 'OFF'. Below the 'OFF' button, the text 'Mi·Light' is visible, along with two small sun-like icons. The background on the right is a grayscale photograph of a modern living room with a white sofa, a side table with a lamp, and a textured wall. The text 'Touch Dimming Remote Controller' is written in a bold, blue font across the top of the background image. Below this, the text '2.4GHz wireless transmission, Brightness Adjustable' and 'Control distance 30m' is displayed. Two icons are shown: a square with a Wi-Fi symbol and '2.4G', and a square with a light bulb symbol.

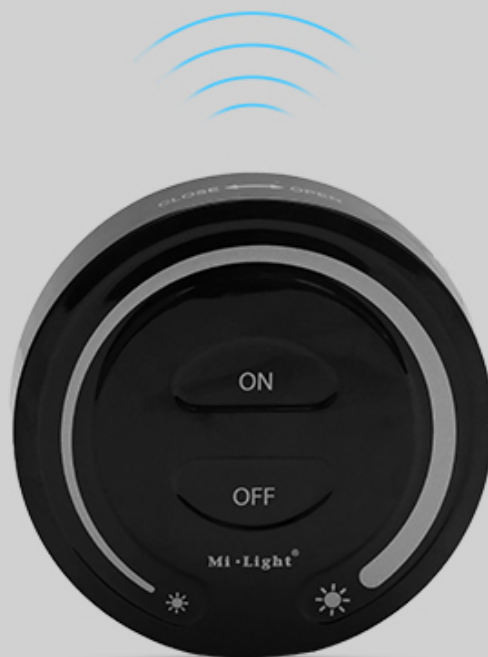

Brightness Adjustable

Adjust the brightness according to your different using requirements,
give the light you want.

2.4G wireless transmitting Control distance 30m
