Product description

Switching Power Supply GLG-150 is a product of the renowned brand of Global Power Leader. This device will work in even the most demanding LED installations.

Simple installation and a metal enclosure that provides a degree of protection IP67, are the qualities by which the power supply is a very popular choice for all buyers who care about quality. The product is covered by a five-year warranty that ensures reliability regardless of the place of installation. The power supply meets the rigorous standards imposed on lighting products, such as EN55015. It has a built-in active PFC filter.

Switching Power Supply GLG-150 has a power output of 150 watts and a voltage of 12 or 24 volts.

Power	150 W	150 W
Voltage	12 V	24 V
Current	12.5 A	6.3 A
Insulation class	I	
Working temperature	-30 ~ +70 °C	
Warranty	5 years	
Dimensions [L × W × H]	221 × 70 × 45 mm	

This product has additional options:

Power supply voltage: 12V , 24V
