HOUSING LED stairway to appear in the box fi60 - INOX

Price	**7.76 Euro**
Availability	**On order**
Number	**335**
Manufacturer	**NUCLEUS-TECHNOLOGY**

Product description

Take a matching stair framing fi60 cans supplied directly from the mains with 230V or 12 V as a light source adapted to use LED light bulbs here for a very long life, even dating back to 100 000 h. For the supply of thread GU10 220V for 12V power supply thread MR16 The new solution which I recommend to all electricians installed a standard cans as a light of stairs and left no space for mounting the transformer, that thought is about 220V power supply.

The kit includes:
First Square fitting was made of cast steel.
Second GU10 Ceramic Socket Connection or MR 16
Third Can fi60 (diameter 60mm) with a depth of 63 mm - 63mm depth is necessary to be able to mount the holder.
