LED Bulb GU10 5W 400lm RENOMA - to work with dimmers SMD 5630

Price	23.54 Euro
Availability	On order
Number	397

Product description

PARAMETERS

Power supply: 220-240V 50-60 Hz
Wattage: 5W
Base: GU10
Power system: advanced inverter current
Dimensions: 50x55mm
Energy Efficiency: A
Color temperature: 6000K (cold white)
Viewing angle: 90 °
Luminous flux: 400 lumens
Number of SMD LEDs: 8
LED type: SMD 5630, 1-chip
CRI: Ra = 80
Rated lifetime: up to 30,000 hours
Certifications: CE, RoHS (every possible accreditation PL, UK)
Case: Ceramic + glass cover
junction temperature: 50st C
Body Temperature: 67st C
Warranty: 18 months
Intended use: absolute substitute for halogen light (\geq 50-60W)
Bulb works with LED dimmers
