LED lamp - industrial - RES-250W - 31200lm - 4000K

Price	**342.09 Euro**
Availability	**Available**
Shipping time	**4 days**
Number	**2194**
Manufacturer	**RESTAN**

Product description

The luminaire is intended for lighting large rooms. The light source is professional LED modules with efficiency up to 130lm / W The luminaire is designed for surface or suspended mounting (chain / cable / rod). The luminaire is dimmable with a 0-10V or PWM signal. There is also a DALI system option (separate purchase of DALI 0-10V converter)

2. Technical parameters
Advantages:
- high efficiency of the light source up to 130lm / W
- low energy consumption in relation to the amount of light emitted
- compact, aesthetic housing,
- easy assembly
- 50,000h durability
- IP65 protection
- adjustable direction of the light beam
- external HQ power supply

Application:
- high rooms, gymnasiums
- logistic and production halls
- industry
- ośw. storage rooms
- lighting of production rooms

dimensions [mm]:
- 150W - 330x330x166
- 250W - 570x330x166
nominal durability - 26000 h
warranty [month] - 36
factor - Ra> 80
power consumption [W] 150/240
working temperature [ºC] - Min-max -20/30 / + 55
luminous flux [lm] - 19500-150W / 31200 - 250W
class - IP 65
power factor -> 0.95
energy class - A +
source efficiency [lm / W] - up to 160
type of aperture - clear / lens
power supply [VAC] 50hz 220-240 -
type of light source - LED
light color [K] - 4000
color reproducibility - 5SDCM
surface / suspended installation
emergency module - NO
ignition time - 0.2s
dimmable: YES - 0-10V or PWM

250W - 5 modules
