Product description

LED lighting fixture Moza from Zamel is powered directly from 230V AC. It can only be installed inside buildings in a tin with a diameter of 6 cm. It is available in 4 colors fixtures to choose from: aluminum, stainless steel, and graphite patina. In addition, 5 light colors to choose from: warm white, cool white, red, green and blue.

The modern form of the luminaire is a square with rounded corners. It is professionally executed and its individual parts perfectly matched to each other. The product gives a great source of light and is ideal for the stairs, hallways, within a larger number of units. Isolated recommended at home, eg. As lighting under kitchen cabinets.

MOZA

- Luminous flux emitted at two planes: the bottom and the front
- Innovative design referring to the theme of the square
- Light-emitting optical fiber
- Enhanced functionality
- Can be installed in passageways
- The availability of different versions of the body and the color of the emitted light
