### Product description

Luminaire MOZA - colored aluminum and 14V power supply it is made from high quality materials and the durability of the manufacturer determines the level of approx. 40 thousand. hours of continuous illumination! Due to its size (7,3x7,3cm) just as well suited to the illumination of the stairs, and ... the cabinet hanging in the kitchen.

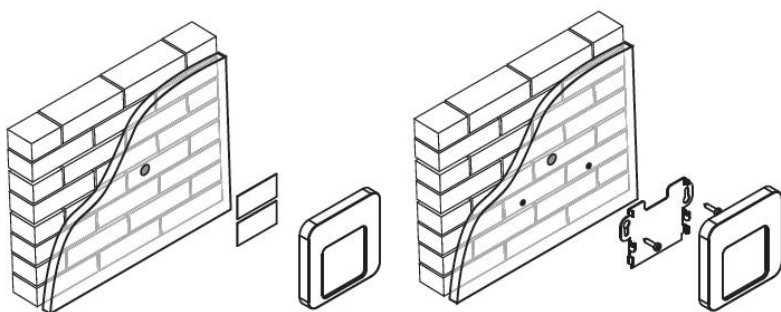

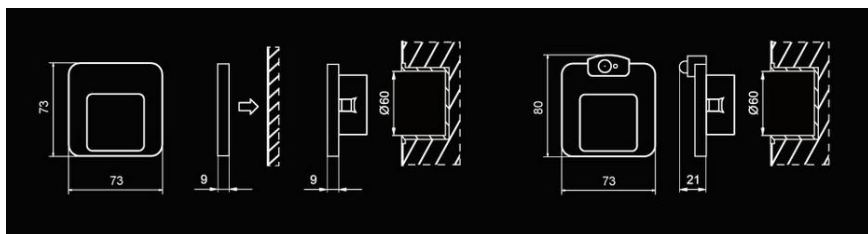

The product can be attached to the surface using double-sided tape, glue or screws. Increased degree of protection (IP44) enables the use of this type of lighting outside as well.

Aluminum color of the frame qualifies it successfully to business premises. It will fit the color scheme of the interior in Scandinavian style. Pretty well suited to a modern interior design, as lighting almost imperceptible during the day and glamorous after dark.

#### MOZA

- Luminous flux emitted at two planes: the bottom and the front
- Innovative design referring to the theme of the square
- Light-emitting optical fiber
- Enhanced functionality
- Can be installed in passageways
- The availability of different versions of the body and the color of the emitted light
