Product description

Graphite luminaire MOZA on 14V DC power supply is a product of high quality and extremely durable. The manufacturer - the company Zamel estimated service life of the lighting for 40 thousand. hours, or approx. 5 years! We, therefore, for economic investment and environmental portfolio, for successfully working with solar systems. Thanks to protection class III and elevated IP (44) - check out the buildings. Customers like to use this setting to illuminate the terrace, where beautifully blends in with the fashionable rattan furniture in colors of gray. The small size of the luminaire decide that it does its job well even with the stairs, as a single item on the worktop, or in larger quantities - in the hallway.
