LED luminaire - MOZA - graphite - Concealed installation - motion sensor

Price	57.89 Euro
Availability	Available
Shipping time	10 days
Number	1280
Manufacturer	LEDIX

Product description

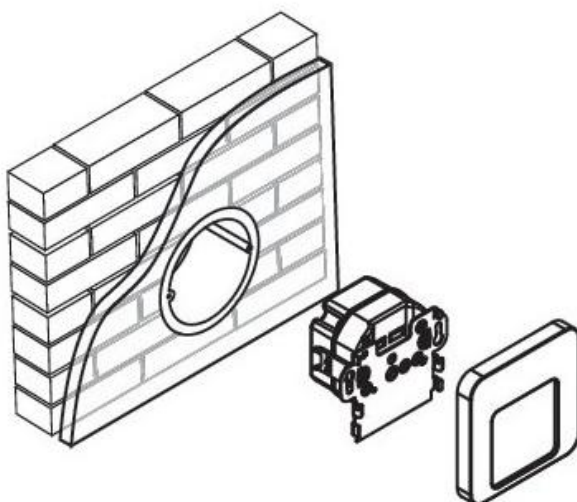

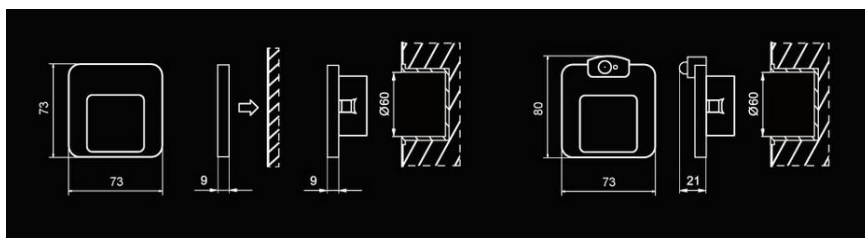

The elegant recessed using LED technology. It is one of the company products Zamel entered into a series of Moza. Graphite color qualifies me most to the premises of modern, minimalist, whether in Scandinavian style. The degree of protection IP 20 confirms its destiny to the interior of the building. It has powerful functions in connection with the motion sensor and twilight. Adjustable range response to movement, twilight switch, or the length of the ignition. At a voltage of 14V can work with solar systems and has a protection class III.

For the power supply voltage of 230V - class II. Further advantages are high quality materials, but above all - durability - up to 40 thousand. burning hours. This is a product for years and thanks to its technical parameters, economic and environmental well.

MOZA

- Luminous flux emitted at two planes: the bottom and the front
- Innovative design referring to the theme of the square
- Light-emitting optical fiber
- Enhanced functionality
- Can be installed in passageways
- The availability of different versions of the body and the color of the emitted light
