Product description

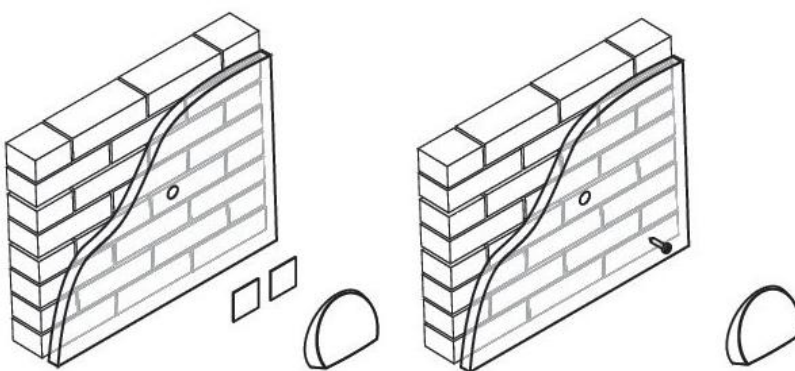

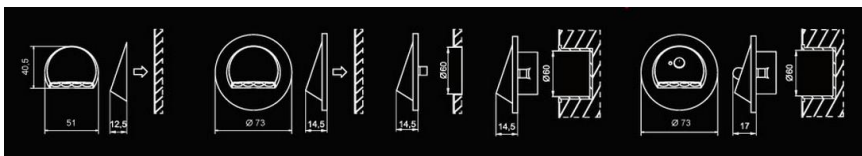

Graphite fixture NAVI degree of protection IP56 is a product which does not interfere with moisture, this both at home (eg. Bathroom) as well as outdoors - romantic place near the fountain. In addition, the manufacturer - brand Zamel, giving customers a choice of light color and method of assembly, which, depending on the idea and needs checking is the solution flawlessly.

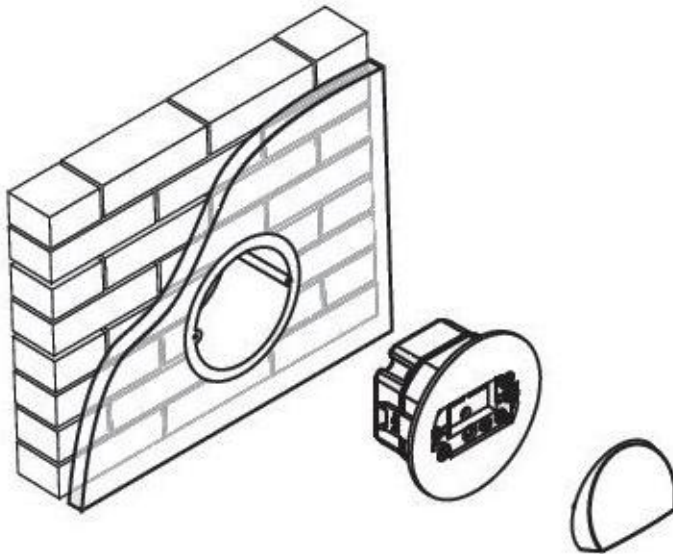

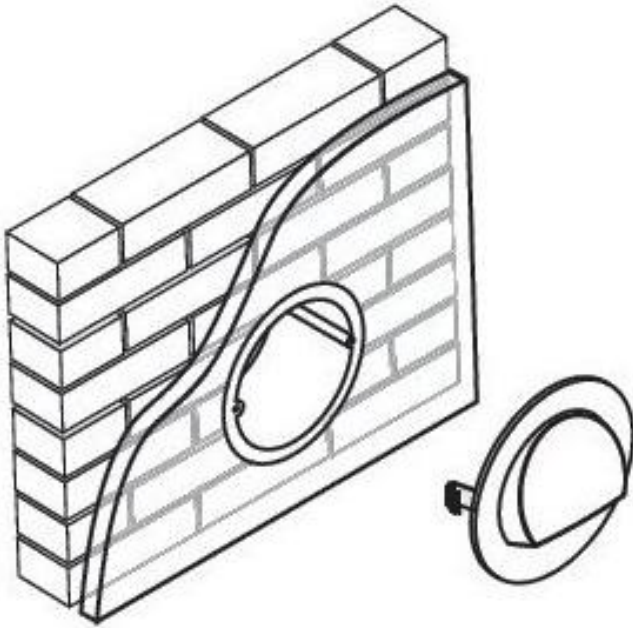

Four CREE LEDs are extremely durable - they can shine up to 40 thousand. hours. Luminaire works with solar panels. It can also be part of a more complex intelligent lighting system. For this model Zamel provides location within the wall units, but we know that is an interesting solution in the kitchen or in the lobby to highlight the selected area.
