Product description

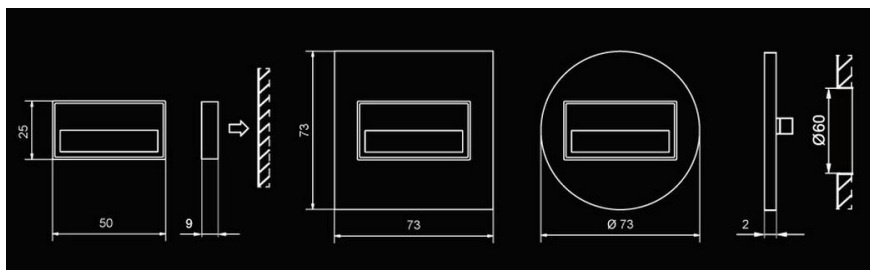

Luminaire for minimalist interior, good for your office or hotel corridor. Graphite color is a modern color. During the day it does not pay much attention - is small and flat. However, after dark or in days without the sun, once activated it gives a dramatic effect decorative and at the same time guarantee safety. This high light output is emitted while consuming minimal power. Illuminates the space inside or outside the building.

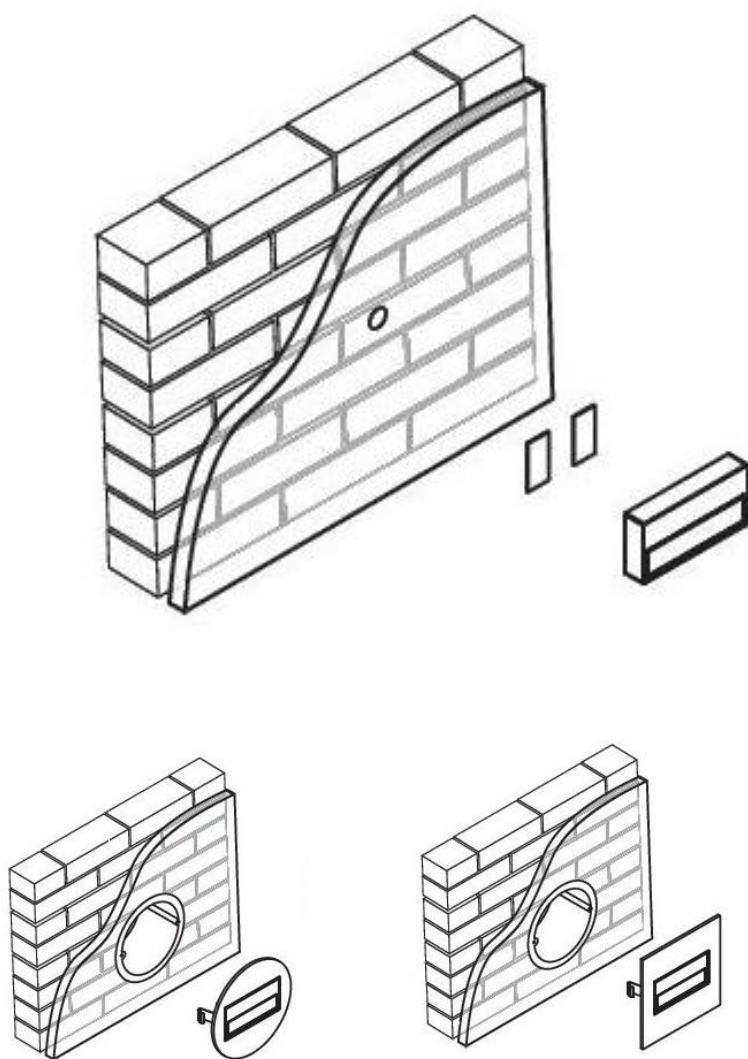

Along with intelligent controllers creates lighting systems with functions igniting and extinguishing the light tailored to individual needs. Customers appreciate her strength and simple design. SONA collection is available from us at affordable prices and a range of optional accessories allows you to create unique illumination.
