LED luminaire - TIMO - battery

Price	67.53 Euro
Availability	Available
Shipping time	10 days
Number	1322
Manufacturer	LEDIX

Product description

LED luminaire TIMO, from maintaining battery for 1.5 hours, a good solution in areas where often is lost or power supply for the customers providing such situations and care about their lighting projects.

Optional battery gives the holder a lot of opportunities, for example. Upholding the possibility of output, whether on or off from the typical wiring connector.

The manufacturer Zamel suggests mounting the fixtures on the walls, as a single light or backlight composition of some element of interior design. The customer to choose the color of the casing and color of light. The solution for years, energy efficient and finely crafted!

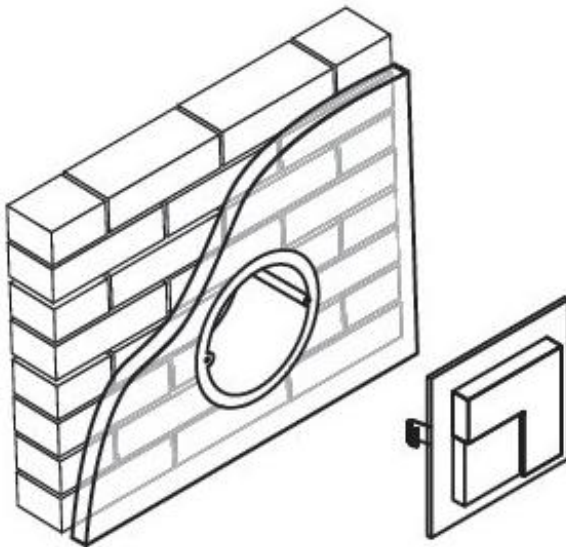

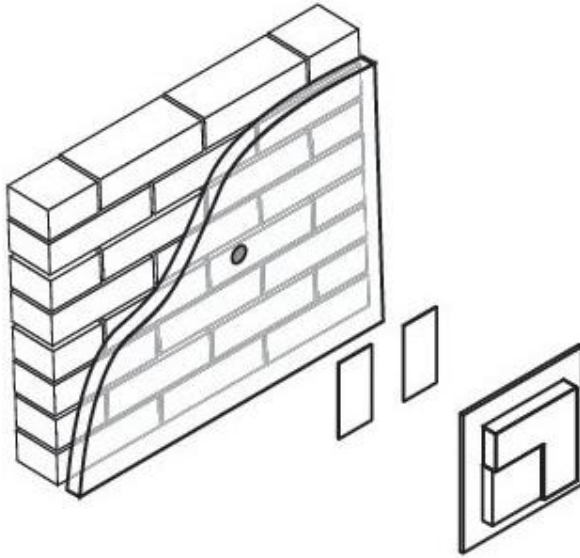

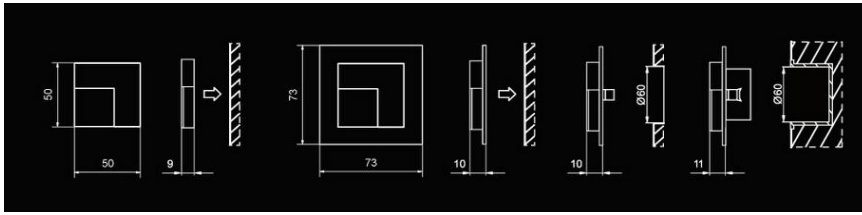

TIMO

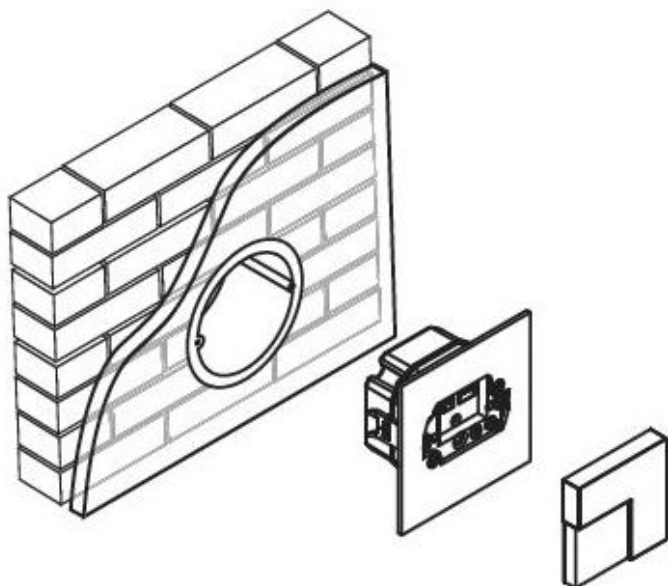

- Luminous flux emitted by the fiber element
- Modern design based on the square
- Enhanced functionality
- Version with an additional one-piece or decorative element base
- The availability of different versions of the body and the color of the emitted light
- Increased exterior dimensions compared to the twin series of luminaires TICO
