Product description

Graphite is the color of LED luminaire housing TIMO, brand Zamel. Modern color goes hand in hand with a well thought out interior and interesting design, which gives an even better light effect. We recommend to the premises where the reign body and white-black color scheme.

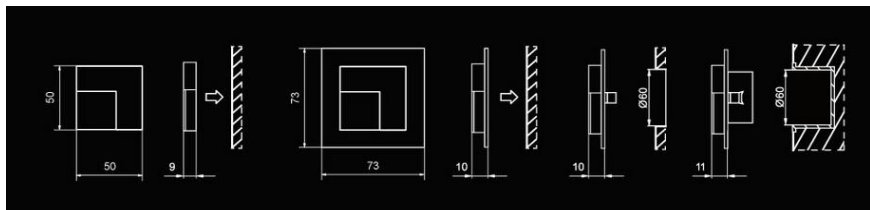

They usually buy people has appreciated the organization of space and its usefulness. Thanks lighting become safer after dark narrow staircases or long hole in the workplace.

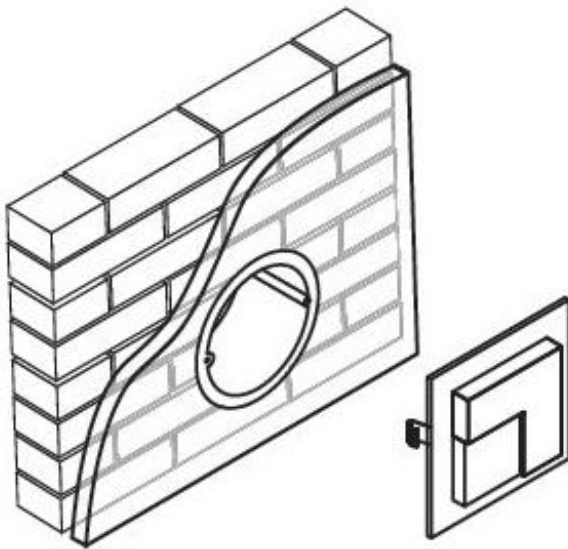

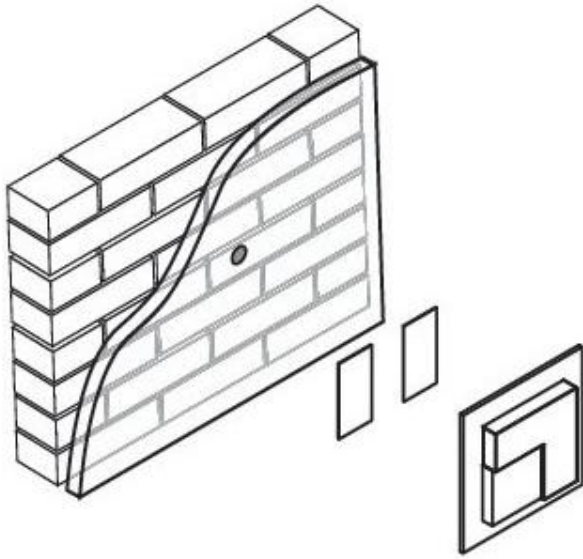

The light is here CREE LEDs durable and energy efficient. In addition, binding works with photovoltaic solar panels, has a built-in stabilizer LED current can be part of various composition and lighting systems.

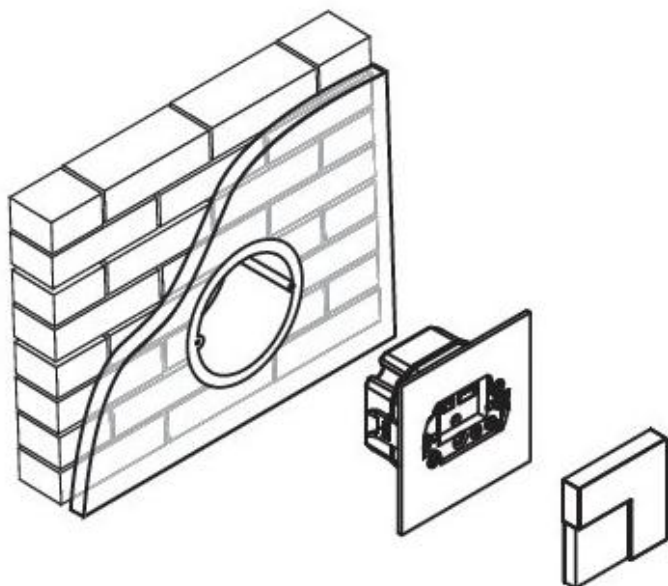

TIMO

- Luminous flux emitted by the fiber element
- Modern design based on the square
- Enhanced functionality
- Version with an additional one-piece or decorative element base
- The availability of different versions of the body and the color of the emitted light
- Increased exterior dimensions compared to the twin series of luminaires TICO
