### Product description

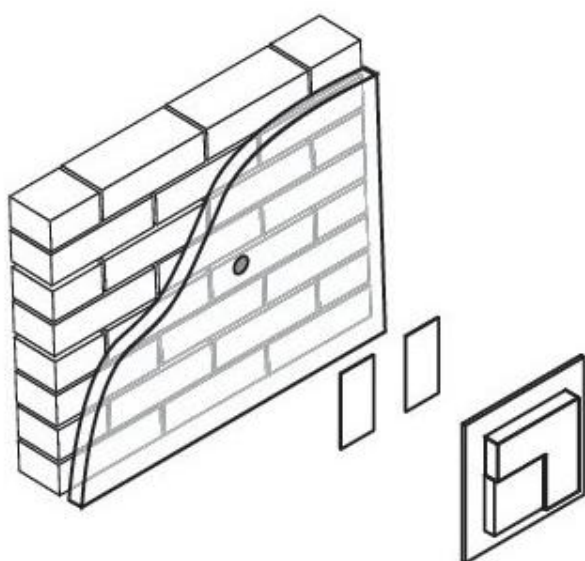

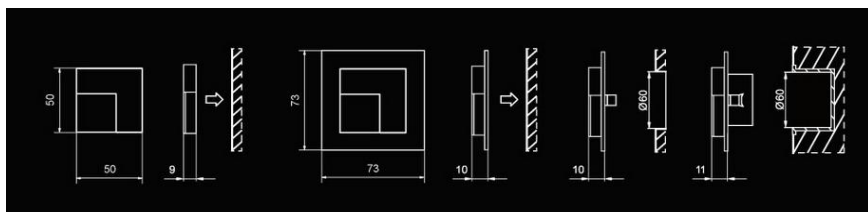

A small LED luminaire TIMO with graphite colored casing fits many places. Its size is 5x5 cm will therefore be an interesting supplement to arrange the furniture or a wall in the bedroom and with IP44 is suitable for use in outer space.

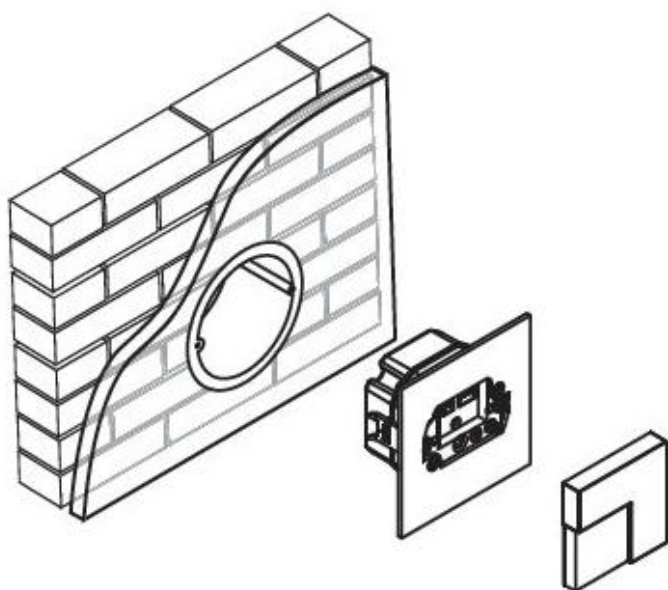

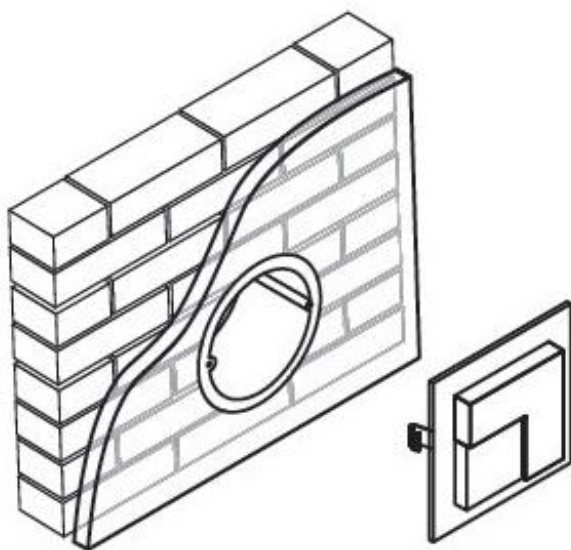

There are four light source CREE LEDs with a stable current flow, thanks to built. Life span is estimated at 40 thousand. hours of continuous illumination. It is therefore the solution for several years! Returns in low energy bills. It works well in the context of complex lighting projects using solar batteries as a power supply. Definitely, this luminaire is worth attention!

#### **TIMO**

- Luminous flux emitted by the fiber element
- Modern design based on the square
- Enhanced functionality
- Version with an additional one-piece or decorative element base
- The availability of different versions of the body and the color of the emitted light
- Increased exterior dimensions compared to the twin series of luminaires TICO
