Waterproof 12v led strip - SMD5050 300 / 5m - warm white

Price	35.70 Euro
Availability	Available
Shipping time	48 hours
Number	206
Manufacturer	RESTAN

Product description

Waterproof 12v led strip is a light source dedicated to use in bathrooms and rooms with high humidity. The tape can be used to illuminate mirrors, cabinets or simply as an ornament mounted on the wall. The product is 5 meters long and has 300 LEDs distributed over the entire surface. Each of them emits white light, which makes the tape fit perfectly into any interior. The RESTAN solution is an excellent choice and guarantees that you will get the best results by choosing this type of product. We cordially invite you to check our offer for lighting products.

LED strips - a modern solution capable of lighting advertising, furniture, shop windows and decorative lighting and utility rooms. LED strips offer minimal power consumption while providing high performance light. The small size combined with flexibility allows its use PCB where other light sources do not permit their assembly, or is difficult. The use of LED strip leaves only limited by your imagination.

Products offered by RESTAN feature - the highest quality of workmanship, found thanks to the recognition of the various embodiments where the investor require reliability and durability of LED lighting. LED strip production is monitored at every stage - from purchasing the highest quality components in the packaging process. This attention to detail ensures its reliable operation for many years.

Components for each tape led to: the highest quality LEDs, PCB laminate tested, selected resistors. Yes precise selection of components allows you to ensure uninterrupted operation LED strips for many years. Each roll of tape led a process of thorough quality control, ensuring our customers receive the highest quality merchandise. Highest quality LED strip is confirmed by a 2 year warranty.

SPECIFICATIONS

Dimensions Width 8 x thickness of 2.9 [mm]
Power supply 12 V DC
Power Consumption 6A/5m (1,2A/m)
Power1 72W/5m (14,4W/m)
Type of applied LED SMD 5050
LED qty 300
LED viewing angle 120 degree
Ability to cut LED strip marked cutting line every 3 LEDs
Mounting a flexible laminate (white)
Mounting M adhesive tape placed at mid-life
Life 30 000 - 50 000 hours
