LED strip IP68 - SMD3014 / 600 - OSRAM DURIS E3

Price	113.58 Euro
Availability	Available
Shipping time	14 days
Number	2254
Manufacturer	RESTAN

Product description

IP68 LED strip is a lighting product intended for use in the bathroom and rooms with high humidity. The strip is waterproof, and the installed LEDs emit white light. There are as many as 120 LEDs on each meter. The tape can be successfully used to illuminate bathroom furniture or mirrors. It will make the interior shine and will definitely increase its attractiveness. Anyone looking for high-quality interior lighting products will find something for themselves in our offer.

LED strip 5m professional waterproof IP68 - SMD3014 / 600 was manufactured with the highest quality components. Speech of the same high quality LEDs, as well as the use of proven laminate and PCB-selected resistors. Thanks to LED strip will run smoothly for many years. Each roll of tape is separately controlled. This way you are sure that after installing the tape, it will effectively illuminate your home, business or even other elements for many years. The manufacturer's warranty is 3 years.

This type of LED strip applies to all unusual, difficult places, which could include, for example, the bathroom or the area in front of the house. High class of the waterproof - IP68, avoiding destruction by the intrusion inside the tape harmful water, and dirt. It can be pruned. Section cutting when the supply voltage V belt 12 is 25 mm, that is, three LEDs, while in the case of 24V - 50 millimeters, six diodes. As a result, the length and flexibility of the tape can be tailored to their individual preferences. It is an excellent solution for special tasks.

LED type - SMD 3014 OSRAM DURIS

Number of LEDs - 120 pcs / m

Power consumption - 7.44 W / m

Luminous flux - 988 lm / m

Light output - 133 lm / W

Degree of protection - IP 68

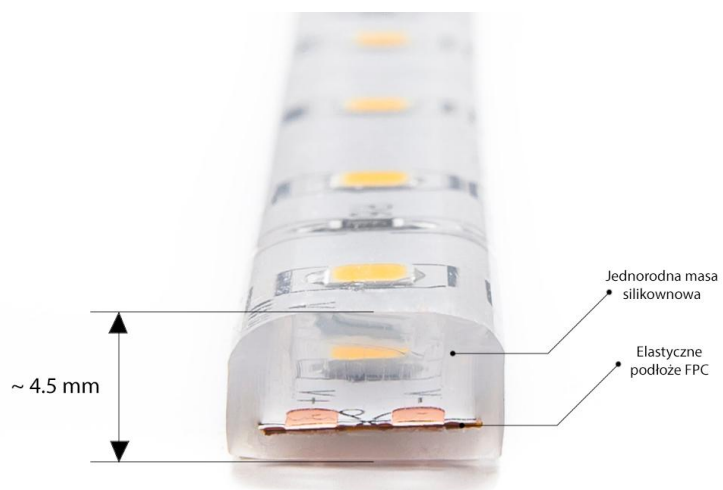

Installation - neutral silicone (acid-free)

Supply voltage - 12V DC or 24V DC

Cutting section - 25 mm (3 LEDs) or 50 mm (6 LEDs)

Dimensions - 5000 x ~ 10 x ~ 6 mm

Warranty - 3 years

This product has additional options:

Supply voltage: 12V , 24V

Light color: Biała ciepła / warm white / Warmweiß , Biała dzienna / daylight / Tageslicht , Biała zimna / cold white / Kaltweiß
