Product description

LED strip IP68 12V is a high-quality lighting product from RESTAN. The strip is waterproof and is available with LEDs in various colors. Thanks to this, it is possible to adjust it to individual needs and create a very interesting lighting effect in the interior. LEDs mounted on the tape emit a clear light beam and are characterized by low energy consumption. Thanks to the use of a special coating, the whole thing is protected against moisture and can be successfully used, for example, in a bathroom.
