PCC60W-MC-Match

Price	24.50 Euro
Availability	Available
Shipping time	4 days
Number	1789
Manufacturer	GLP - Global Leader Power

Product description

Power supply current PCC60W-MC-Match-1400 belongs to a series LEDTRONIC created by the brand Global Power Leader. Its use is very versatile - ideally suited to wherever it counts the highest quality and reliability.

This product was designed for professional use in lighting, so meets even the most stringent standards imposed on products from the industry. Small size and easy installation of additional holes adapter wherever it is needed. It is characterized by allowing the option of output current in a single device, as well as allowing the tuning current potentiometer.

Model	PCC60W-MC-Match-1400			
Output power	58,8 W			
Output voltage range	20-42 VDC			
Current [mA]	700	900	1050	1400
Isolation class	II			
Working temperature	-20 ~ +60 °C			
Warranty	up to 5 years			
Dimension [L x W x H]	123 x 81 x 28 mm			

This product has additional options:

Power supply - current: 700-1400mA/50~42V/58,8W
