Power supply voltage PL-60-12 - 5A - 12V

Price	23.28 Euro
Availability	On order
Number	471
Manufacturer	MPL-POWER-ELECTRO

Product description

Basic specifications:

Output voltage: 12V

Output Power: 60W

Output Current: 5A

Input: AC 170-250V

Frequency: 47 ~ 63Hz

MPL voltage power supply series, the degree of protection IP67, designed for simple LED applications, for which the operating voltage is 12V DC. Their lifespan is estimated at several thousand hours of operation. Power supplies are tested under full load. Have an internal short-circuit, overvoltage and overload. Get at a reasonable price with good power quality performance and high utility values.
