### Product description

LED lighting fixture RUMBA comes from the collection Polish SKOFF of the unusual name of the Music Line. The manufacturer gave the names of musical devices. Rumba is distinguished by an oblong shape with dimensions of 15x4 cm. The company creates as part of an interdisciplinary team, therefore draws attention to the many features that should have robust luminaire with modern simple design.

Ledowy module casing section is made of aluminum and its color only occurs. At the discretion of while you can choose the color of the light emitted. There are four variants, from white to blue, the red and green.

The shape and size of the device allows for installation in virtually any location. Parallel connection has the advantage of being ideally suited to lighting passageways, stairs and risers. The same is great for highlighting furniture, including websites. Devotees savings offered by LEDs utilizing this type of fittings also light illumination on the walls of a typical decorative feature. Power consumption from 0.6 to 1W is for such use, an excellent argument.

Another advantage is persistence - 50 thousand. hours of light combined with a 2-year warranty, the product becomes competitive and securing full costs of lighting on good few years before you need to replace the luminaire (not replaceable LED module in this case). Disassembly is simple, since the product is attached with adhesive tape or glue.

#### LED Lighting fitting

##### Advantages:

- Long life - 50 000 h
- Very low energy consumption
- Robust design
- Material: Aluminum

### Technical data

Supply voltage: 10 V DC

Light source: LED

Installation: using self-adhesive tape or glue

Ingress Protection IP 20

Rating:

Type of connection: parallel

Recommended power supplies: ZOL6, ZOL7, ZOL15, ZOL16

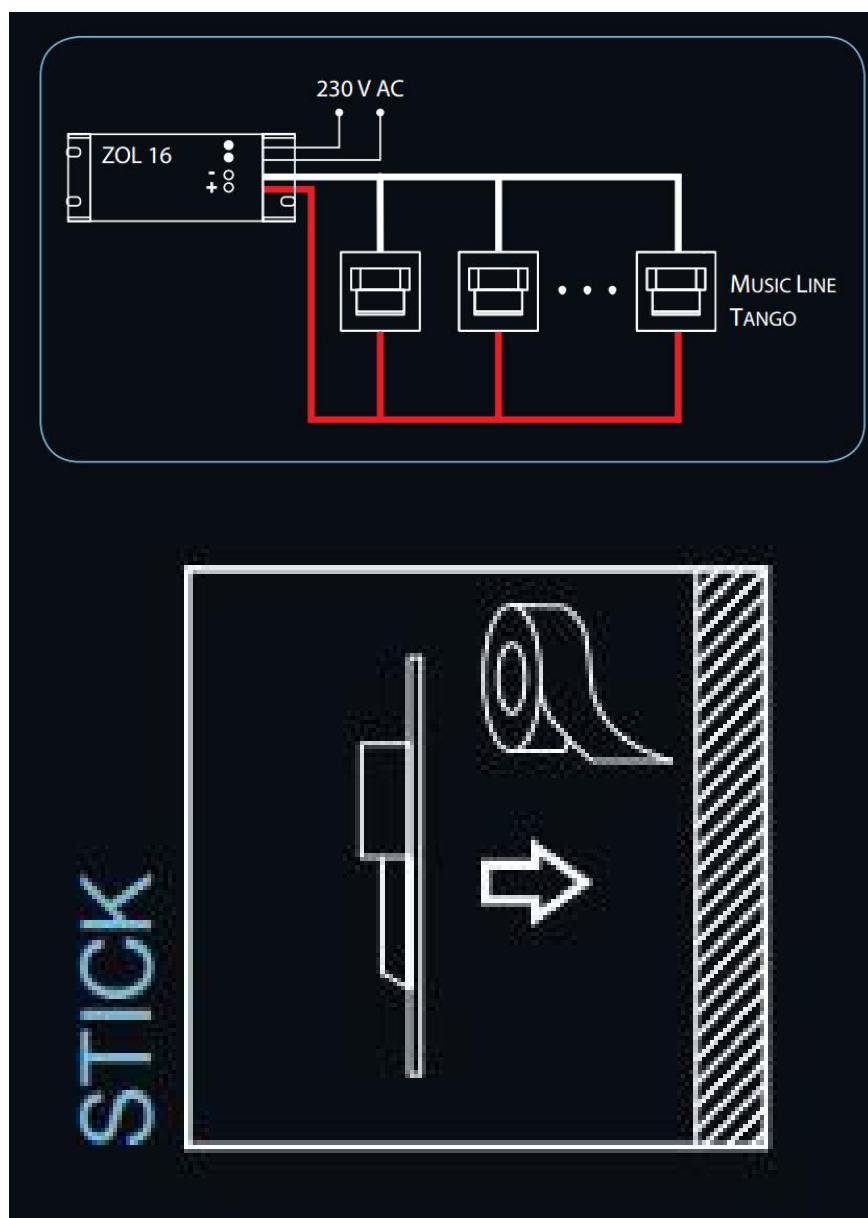

## Commercial data

Device weight: ...

Device dimensions: 150 x 40 mm

Warranty period: 24 mo.

This product has additional options:

**Light color:** Warm white , Cold white , blue , Green , Red

**Waterproof:** IP20 , IP56 (+ 1.91 Euro )
