Product description

SALSA is a series of LED lighting fittings inspired by the shape of a square, created as part of the Music Line collection of well-known Polish manufacturer - SKOFF. The line is characterized by flat lighting, energy-efficient luminaires with consistent design. They emphasize the architecture and interior design and eliminate glare, through appropriate lighting.

The model shown here is standard fixtures of this family size, or width and height 7,3cm. The main difference in comparison with the base embodiment, the mounting - double sided tape or glue. It's a great solution for people with less montage experience or for creative designers, the protagonists of his home, not lovers restrictions, due to the shape and functions of the device. Check it not only on the stairs, in the corridor, but also as part of energy-saving lighting system and used eg. Sites furniture, where there are great opportunities to make holes.

SALSA STICK protect led module, which guarantee low energy consumption and having durability at 50 thousand. burning hours. Power consumption regardless of the severity level of protection is 0,8. The module is non-exchangeable, which further strengthens the whole structure but at a 2-year warranty, is a very good solution for modern lighting systems regardless of the number of elements used to create these systems.

LED Lighting fitting, designed to highlight passages

Advantages:

- Long life - 50 000 h
- Very low energy consumption
- Robust design
- Material: Aluminum

Application:

- illumination of passageways
- stairs
- stair risers
- glass cabinets
- decorating the walls with light

Available types

Symbol	Material	Color of light	Power consumption (W)	Absolute luminous flux	Dimensions
ML-SS-MB-WW	Matt brass	Warm white	0,8		14,3±0,4

Technical data

Supply voltage: 10 V DC

Light source: LED

Installation: using self-adhesive tape or glue

Ingress Protection Rating: IP 20

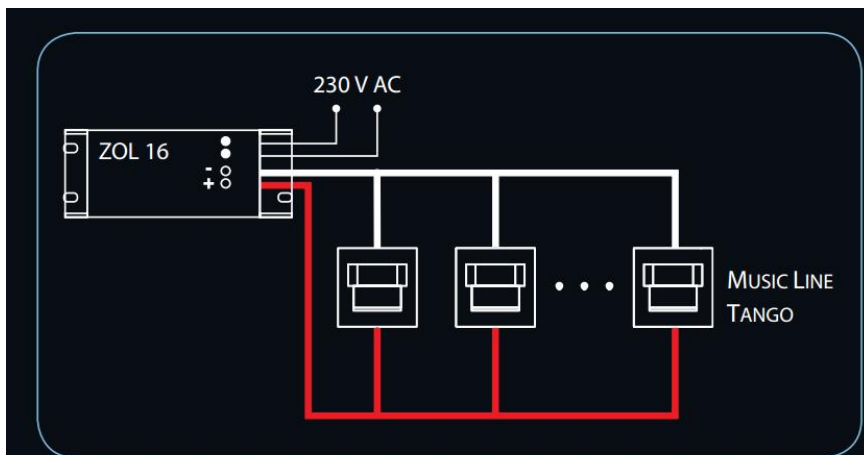

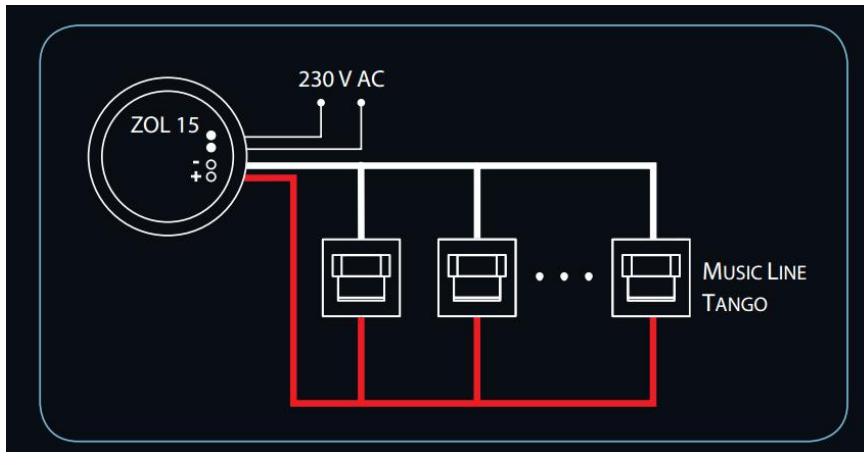

Type of connection: parallel

Recommended power supplies: ZOL6, ZOL7, ZOL15, ZOL16

Commercial data

Device weight: ...
Device dimensions: 73 x 73 mm
Warranty period: 24 mo.

This product has additional options:

Waterproof: IP20 , IP56 (+ 2.07 Euro)
