Wall light Duo Tango

Price **40.43 Euro**

Availability **Available**

Shipping time **5 days**

Number **1585**

Manufacturer **SKOFF**

Product description

TANGO is a series of lighting products based on energy-efficient LED technology, the family of the Music Line. The manufacturer of a Polish brand of international renown - SKOFF. The interdisciplinary team next luminaries has also developed a dedicated high-end bracket offices, office buildings, staircases, holom, corridors. It is used to illuminate the interior space of course hung on the wall, in contrast to the housing - in the upper part.

For lamps wall highly preferred type of light is a double module light. TANGO DUO Wall lamp emits light in two opposite directions, what determines that it is clearer than in the case of a single light source and the lighting is more space. Also eliminates glare phenomenon, not always pleasing to the eye.

To mount the lamp does not need a hole in the wall, or glue. It is best to attach it directly to the wall surface in a tin P70N. For identical appearance, as in the case of housing TANGO DUO, we have a fragment of the rim odsuwający sconce from the wall and at the same time covering all the necessary elements of the installation.

The dimensions of the device are 7,3x11 cm. The degree of protection of the light source, that IP to choose from - depending on the installation site and the risk of destruction or damage 20 or 56. You can also choose the type of surface - polished stainless steel or aluminum. Four color of the emitted light: white (optional warm color temperature), red, blue and green. Depending on the model, on which you decide the power consumption ranging from 1.2 to 2W. The manufacturer gives the device 2 years warranty.

LED Lighting fitting, designed to highlight passages

Advantages:

- Long life - 50 000 h
- Very low energy consumption
- Robust design
- Material: Stainless steel or Aluminum

Application:

- illumination of passageways
- stairs
- glass cabinets
- decorating the walls with light

Available types

Symbol	Material	Color (light)	Power (W)	Material
ML-DR-K-W	Stainless steel	white	1,6	ML-RDR-K-W
ML-DR-K-WW	Stainless steel	warm white	1,6	ML-RDR-K-H
ML-DR-K-R	Stainless steel	red	2,0	ML-RDR-K-R
ML-DR-K-B	Stainless steel	blue	1,6	ML-RDR-K-B
ML-DR-K-G	Stainless steel	green	1,2	ML-RDR-K-G
ML-DR-G-W	Aluminum	white	1,6	ML-RDR-G-W
ML-DR-G-WW	Aluminum	warm white	1,6	ML-RDR-G-H
ML-DR-G-R	Aluminum	red	2,0	ML-RDR-G-R
ML-DR-G-B	Aluminum	blue	1,6	ML-RDR-G-B

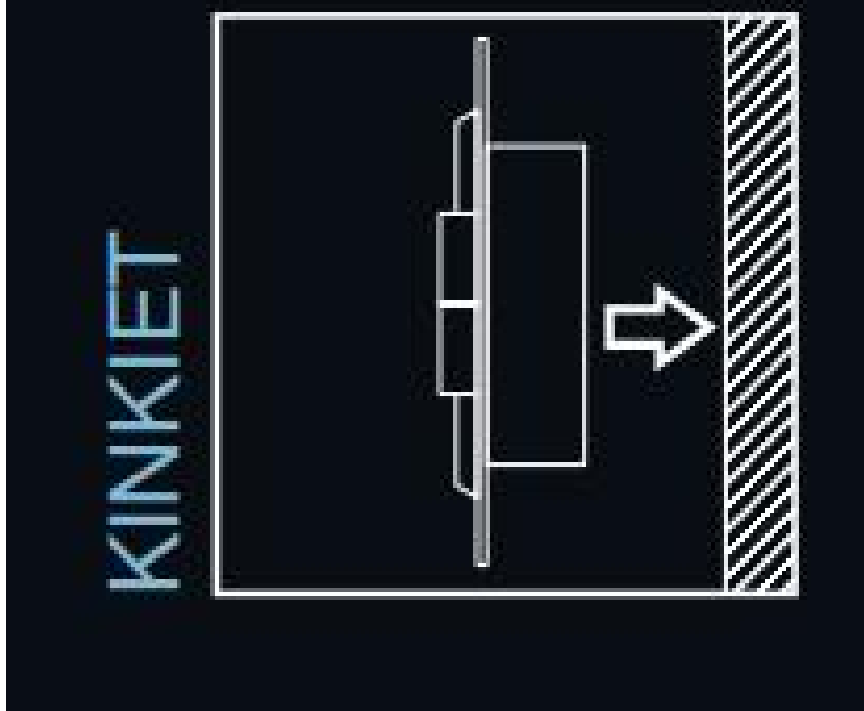

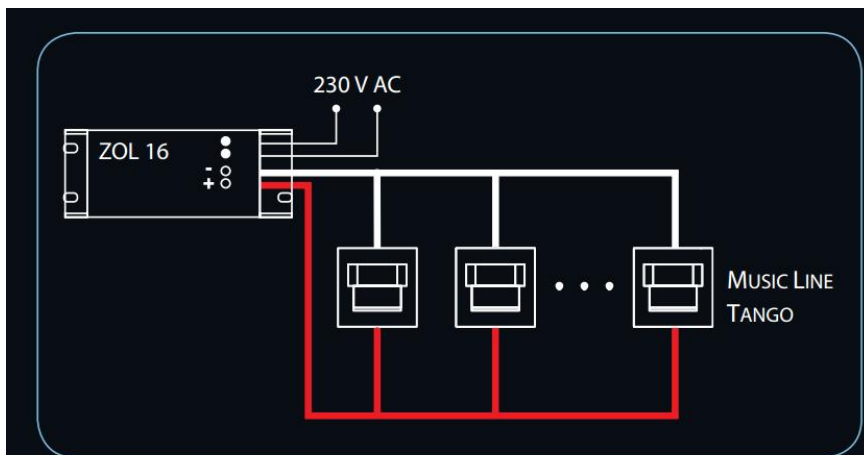

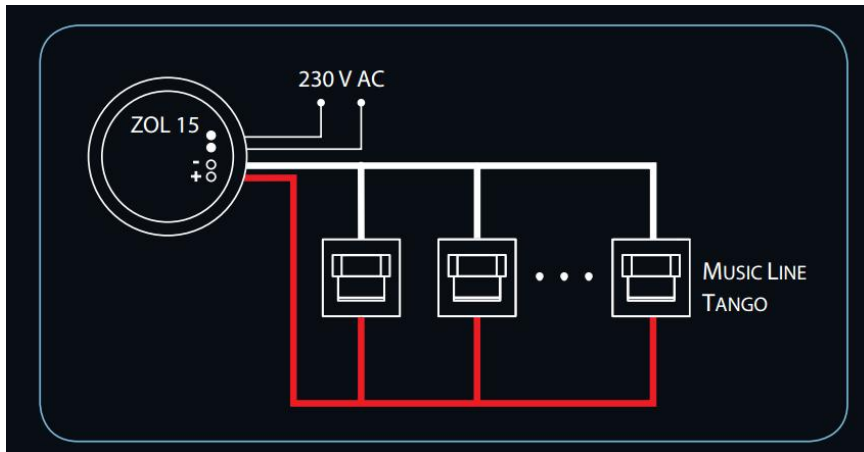

Technical data

Supply voltage:	10 V DC
Light source:	LED
Installation:	directly on the surface of the box P70N
Ingress Protection Rating:	IP 20
Type of connection:	parallel
Recommended power supplies:	ZOL6, ZOL7, ZOL15, ZOL16

Commercial data

Device weight:	...
Device dimensions:	73 x 113 mm
Warranty period:	24 m-ce

This product has additional options:

Housing: INOX , Aluminum

Light color: Warm white , Cold white , blue , Green , Red
